VERBAL DESCRIPTION:

Solid edge fragment of a hollow, anthropomorphic  
figure of a Sunburst headdress. The proper left  
side of the figure is painted & the headdress has  
3 slightly convex, horizontally grooved projections  
which are graduated in size (largest on top).  
The projections are bordered by a series of 2 grooves &  
a raised, fluted area. The back is convex. The  
entire figure is lightly covered in stucco. No paint  
or slip. Smooth on the surface with a few figure  
impressions. No fingering.

1. The first thing I noticed when I stepped  
 out of the plane was the cold. It was a  
 shock to the system, but I quickly  
 adjusted. The air was crisp and  
 clean, a far cry from the humidity  
 of the tropics. I took a deep  
 breath and felt a sense of  
 freedom. The landscape was  
 breathtaking, with rolling hills  
 and a small town nestled in the  
 valley. I knew this was my chance  
 to start over, to begin a new  
 chapter in my life. I smiled and  
 felt a sense of peace.
